CAREER OBJECT

As a recent graduate with a strong foundation in web development, I am eager to grow as a full-stack developer. I have hands-on experience with HTML, CSS, and JavaScript and am expanding my skills in React.js, Next.js, and Node.js. Passionate about building dynamic, scalable web applications, I am committed to continuous learning and staying updated with industry trends. I seek a role where I can collaborate, contribute, and make a meaningful impact.
